

Messrs. Rob. & W. Heysham.

Madecia 31 May 1711

We come now to Ireland to confirm about Copsy having two small
vessels in port bound thence with Port & Co. wines the former being to
assist of Port French wines w^{ch} we understand have been both scarce
& dear, the same way find they are in Ireland, also we suppose in your
Parts there may be a faulture to that of white wines & malmsays
must sell w^{ch} if should to advantage shall be easy at & not en-
gaging in them. The fleet as yet don't appear & by their long stay
we are almost of opinion their designs are not to touch here
if should not w^{ch} must bear an extraordinary price below. We
are much concerned you have as yet entered in a loading of Grain
by reason of Great Demand it has here besides of scarcity, & the
possibility of a supply but small; so that his our advice to you
to order some of it already put in Execution. We flatter our
Selves of your sending some of the fleet as already in our merchants
to you for, the former being Bristol here a ⁵⁰⁰ 500 ⁵⁰⁰ 500 gals. there may
be an impediment in your Parts against shipping it off but in
Ireland we understand there is Open License as also of its being put
charged on very low terms than w^{ch} would be an addition to your
We hope of our Approove of our Proposition to, in ordering off
vessels bound to Gurney to touch here & take in our Goods, Re-
ceiving no small Profit might be reaped by it. The great impe-
diment your vessels meet with as well as hindrance to of Market
makes us now put you in mind of the Bristol Gally to embrace
them for what profit you should be inclinable to take for W^{ch}
Indies, By reason they are soon out of their Port as well as of
force & prime Sails & here is no small quantity of Hearings
in place w^{ch} must lie by till of Vint time but need & but
are still wanted. The Naturals are still flattering themselves with
of fleets touching here & so many small craft coming in
beginning of of year makes them Demand in their Lodges
26 & 500 to 27. & 28. We have great hopes of of new Vint coming
on if it does but succeed as begins but in a little time shall more amply
enlarge when can do it with more certainty. Since our last advice
has arrived here of Peter Cap. success from Banstable w^{ch} 150 Baxx.
Hearings. The Barge Robt. Lambert w^{ch} now makes of Conveyance
for Galloway from whence comes the Hearings & Linens & some wheat
& we have now in port a small vessel w^{ch} provisions from Dublin
to return back again with Port & Co. & a small Schoop for
w^{ch} Wheat for Island May for salt & so proved for Virginia
We are now at of June the W^{ch} India fleet coming in stopp. the
Conveyance and are come to answer of accounts 31 Jan. 20 Feb. 28
27. March where Court. we now think very well of of sending some
Grain when Bagg's we have forward of another Conveyance bound
for B^{ch} there being no possibility of doing it in some of the fleet
by reason of Great Bury. The goods we also need as well as our
friends receipt but then expect you'll alter what you have charged
in of of. The Loading of of Bagg's we punctually complied with

on 4 Severall Ships & Dispatched Cap^t Hart inductments proceed
with them. Mr Wethers desired we should also ship for your acc^t. four
of Casks of Brandy &c. we accordingly complied with, I inclosed goes
the Bill of Loading for same. But for their post had to trust
take out. His very hand you should insist on 21st Price for 1000
w^{ch} near send us 16^d. by reason of Great quantity that were
imported at that time & as to Cap^t information we do
assure you to be false. Cap^t Hartland delivered us your Bill of Credit
w^{ch} will with all due acceptance returning you our humble thanks
for remembering us, inclosed goes his Bill on Thomas Parry
for 636^d 860 cur. Pay^d to your Good self. as if you were
from Londⁿ to L^o. as also first via Mr Thomas Wethers bill
on your selves for L^o 8. 16. 11. w^{ch} please also to Credit our acc^t.
with when acc^t. your acc^t. Part we shall forward as soon as
possible tho' you can expect of C^t. to be allowed as you talk of
