

The first thing that I saw when I stepped out of the train was a vast, open landscape. The air was fresh and cool, and the sun was shining brightly. I felt a sense of freedom and adventure. The landscape was beautiful, with rolling hills and a clear blue sky. I took a deep breath and smiled. This was my first experience of the world, and it was everything I needed.

COMMON SENSE

CHAPTER I

It is a common sense that we should be careful of our health. We should eat healthy food, exercise regularly, and get enough sleep. We should also avoid bad habits like smoking and drinking too much alcohol. Common sense tells us that we should be responsible for our own actions and the actions of others. We should be honest, kind, and fair. We should also be respectful of the rights of others. Common sense is a guide that helps us make good decisions and live a good life.

Common sense is a natural ability that we all have. It is the ability to use reason and logic to make decisions. It is the ability to understand the consequences of our actions. Common sense is a valuable skill that we should all have. It is the key to a successful life. Without common sense, we would be lost and confused. Common sense is the foundation of all good decisions.

Common sense is not just a word, it is a way of life. It is a way of thinking that helps us to understand the world around us. It is a way of living that helps us to live a good life. Common sense is a gift that we should all have. It is the key to a successful life. Without common sense, we would be lost and confused. Common sense is the foundation of all good decisions.

Common sense is a natural ability that we all have. It is the ability to use reason and logic to make decisions. It is the ability to understand the consequences of our actions.
