

BOOK 1

Chapter 1

It is the duty of every man to be virtuous, and to live a life of honor and integrity. This is the first principle of wisdom, and the foundation of all good actions. The man who is virtuous will be respected by all, and will find peace and happiness in his life. The man who is not virtuous will be despised by all, and will find only pain and sorrow in his life. Therefore, let us strive to be virtuous, and to live a life of honor and integrity. This is the path to true wisdom and happiness.
