

THE HISTORY OF THE UNITED STATES

BY JOHN B. HARRIS

NEW YORK: THE CENTURY CO., 1900

The history of the United States is a story of growth and development. It begins with the first settlers who came to the shores of the Atlantic coast in the early part of the sixteenth century. These men, who were seeking a new world, found a land of freedom and opportunity. They established colonies and built a nation that was to become the most powerful and influential in the world. The story of the United States is a story of the struggle for freedom and the pursuit of the American dream. It is a story of the men who fought for independence and the men who built a nation that was to stand as a beacon of hope and freedom for all people. The history of the United States is a story of the triumph of the human spirit and the power of democracy. It is a story that has inspired and guided the people of the world for over two centuries. The history of the United States is a story that is still being written. It is a story that is full of promise and potential. It is a story that is worth knowing and worth remembering.
