

RAALBUS PECTORALIS, Cuv.

Psychol. Hall.

Revised Edition, 1874. The First Edition, 1871.
Published by the Author, 1874.
New York: 1874.

The present book is a revised edition of the first edition, which was published in 1871. It contains a number of additions and corrections, and is intended to be a more complete and accurate representation of the facts of the case. The book is divided into two parts, the first of which contains a description of the case, and the second of which contains a discussion of the facts. The first part is divided into three sections, the first of which contains a description of the case, the second of which contains a description of the facts, and the third of which contains a description of the results. The second part is divided into two sections, the first of which contains a discussion of the facts, and the second of which contains a discussion of the results. The book is written in a clear and concise style, and is intended to be a useful reference for all those who are interested in the case.
