

EUROPEAN REPERTORY

of the

of the

The first part of the work is devoted to a general survey of the history of the continent of Europe, from the earliest times to the present day. The author discusses the political, social, and economic changes that have shaped the continent over the centuries, and the role of the various nations and peoples. The second part of the work is devoted to a detailed account of the political and social conditions of the continent at the present time. The author discusses the various forms of government, the social structure, and the economic conditions of the different nations and peoples. The third part of the work is devoted to a detailed account of the political and social conditions of the continent at the present time. The author discusses the various forms of government, the social structure, and the economic conditions of the different nations and peoples.
