

Trichoglossus chlorolepidotus	Scaly-breasted Lorikeet	50
——— versicolor, <i>Vig.</i>	Varied Lorikeet	51
——— concinnus	Musky Lorikeet	52
——— porphyrocephalus, <i>Diet.</i>	Porphyry-crowned Lorikeet	53
——— pusillus	Little Lorikeet	54
Ptilinopus Swainsonii, <i>Gould</i>	Swainson's Fruit Pigeon	55
——— Ewingii, <i>Gould</i>	Ewing's Fruit Pigeon	56
——— superbus	Superb Fruit Pigeon	57
Carpophaga magnifica	Magnificent Fruit Pigeon	58
——— leucomela	White-headed Fruit Pigeon	59
——— luctuosa	Torres Strait Fruit Pigeon	60
Lopholaimus Antarcticus	Top-Knot Pigeon	61
Chalcophaps chrysochlora	Little Green Pigeon	62
Leucosarcia picata	Wonga-wonga Pigeon	63
Peristera* chalcoptera	Bronze-winged Pigeon	64
——— elegans	Brush Bronze-winged Pigeon	65
——— histrionica, <i>Gould</i>	Harlequin Bronze-wing	66
Geophaps scripta	Partridge Bronze-wing	67
——— Smithii	Smith's Partridge Bronze-wing	68
——— plumifera, <i>Gould</i>	Plumed Partridge Bronze-wing	69
Ocyphaps Lophotes	Crested Pigeon	70
Petrophassa albipennis, <i>Gould</i>	White-quilled Rock Dove	71
Geopelia humeralis	Barred-shouldered Ground Dove	72
——— tranquilla, <i>Gould</i>	Peaceful Ground Dove	73
——— cuneata	Graceful Ground Dove	74
Macropygia Phasianella	Pheasant-tailed Pigeon	75
Gnathodon strigirostris, <i>Jard.</i>	Gnathodon	76
Talegalla Lathamii	Wattled Talegalla	77
Leipoa ocellata, <i>Gould</i>	Ocellated Leipoa	78
Megapodius Tumulus, <i>Gould</i>	Mound-raising Megapode	79
Pedionomus torquatus, <i>Gould</i>	Collared Plain Wanderer	80
Hemipodius† melanogaster, <i>Gould</i>	Black-breasted Hemipode	81
——— varius	Varied Hemipode	82
——— scintillans, <i>Gould</i>	Sparkling Hemipode	83
——— melanotus, <i>Gould</i>	Black-backed Hemipode	84
——— castanotus, <i>Gould</i>	Chestnut-backed Hemipode	85
——— pyrrhothorax, <i>Gould</i>	Red-chested Hemipode	86
——— velox, <i>Gould</i>	Swift-flying Hemipode	87
Coturnix pectoralis, <i>Gould</i>	Pectoral Quail	88
Synoicus Australis	Australian Partridge	89
——— Diemenensis, <i>Gould</i>	Van Diemen's Land Partridge	90
——— sordidus, <i>Gould</i>	Sombre Partridge	91
——— ? Chinensis	Chinese Quail	92

* *Phaps* being the generic appellation generally adopted, *Peristera*, under which term the birds of this form have been published, must sink into a synonym.

† *Turnix* for the like reason must be substituted for *Hemipodius*, the term employed.
