

GENUS XII. CALASTRAPIA (*anteà*, p. xiii).

Add:—

*Astrapia splendidissima*, Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 42 (1898).—Rothsch. Novit. Zool. v. p. 85 (1898).—Id. Thierreich, Lief. 2, Parad. p. 32 (1898).—Sharpe, Monogr. Parad. part viii. (1898).

This species was at first believed to have come from the Charles Lewis Mountains, but Mr. Rothschild now considers its true habitat to be the Arfak Mountains.

## GENUS XIII. PARADISEA.

Add:—

## 1. PARADISEA APODA.

*Paradisea apoda*, Sharpe, Monogr. Parad. part i. (1891).—Id. Bull. Brit. Orn. Club, iv. p. xiii (1894).—Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 43 (1898).

*Paradisea apoda (typica)*, Rothschild, Thierreich, Lief. 2, Parad. p. 39 (1898).

Add:—

## 2. PARADISEA NOVÆ-GUINEÆ.

*Paradisea novæguineæ*, Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 43 (1898).

*Paradisea apoda novæguineæ*, Rothschild, Thierreich, Lief. 2, Parad. p. 40 (1898).

*Paradisea novæguineæ*, Sharpe, Monogr. Parad. part viii. (1898).

Add:—

## 3. PARADISEA RAGGIANA.

*Paradisea raggiana*, Sharpe, Monogr. Parad. part vi. (1896).—Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 47 (1898).—Rothschild, Thierreich, Lief. 2, Parad. p. 41 (1898).

Add:—

## 4. PARADISEA MARIA.

*Paradisea maria*, Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 44 (1898).—Rothschild, Thierreich, Lief. 2, Parad. p. 42 (1898).—Sharpe, Monogr. Parad. part viii. (1898).

Add:—

## 5. PARADISEA AUGUSTÆ-VICTORIÆ.

*Paradisea augustæ-victoriae*, Sharpe, Monogr. Parad. part iii. (1894).—Id. Bull. Brit. Orn. Club, iv. p. xiii (1894).

—Reichen. J. f. O. 1897, p. 222.

*Paradisea augustævictoriae*, Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 43 (1898).—Rothsch. Thierreich, Lief. 2, Parad. p. 41 (1898).

Add:—

## 6. PARADISEA INTERMEDIA.

*Paradisea intermedia*, Rothschild, Bull. Brit. Orn. Club, vii. p. iv (1897).—Meyer, Abhandl. k. zool. Mus.

Dresden, vii. no. 2, p. 46 (1898).—Rothschild, Thierreich, Lief. 2, Parad. p. 41 (1898).—Sharpe, Monogr. Parad. part viii. (1898).

The habitat of this species is given by Mr. Rothschild as from Holnicote Bay to Collingwood Bay in N.E. British New Guinea.

Add:—

## 7. PARADISEA DECORA.

*Paradisea decora*, Meyer, Abhandl. k. zool. Mus. Dresden, vii. no. 2, p. 47, Taf. ii. (1898).—Rothschild, Thierreich,

Lief. 2, Parad. p. 42 (1898).—Sharpe, Monogr. Parad. part viii. (1898).
