

CHRONOLOGICAL TABLE

OF THE REIGN OF

CHARLES THE FIRST

This table contains a list of the events which happened during the reign of Charles the First, from the year 1625 to 1649. It is divided into three parts, the first of which contains the years, the second the months, and the third the days. The events are arranged in chronological order, and are numbered in the margin. The first part of the table contains the years, and the second part contains the months. The third part contains the days. The events are arranged in chronological order, and are numbered in the margin.
