

ERTHQUAKE ANNUALS

Geological Society

London, 1881

The following is a list of the earthquakes which have occurred in the British Islands during the year 1881. The list is arranged in chronological order, and includes the date, time, and place of each earthquake, as well as the amount of damage done. The list is taken from the reports of the various local authorities, and is intended to give a general idea of the extent and character of the seismic disturbances which have taken place in the British Islands during the year 1881.
