Yilou-digal, 1844

Yilou-digal, 1844

The first part of the paper is devoted to a general survey of the state of agriculture in the county of Errigoris, and to a description of the principal crops raised. It is then divided into two parts, the first of which contains a detailed account of the various species of grain raised in the county, and the second of which contains a description of the various species of fruit raised in the county. The paper is illustrated with numerous woodcuts, and is accompanied by a list of the names of the various species of grain and fruit raised in the county.
