

AGRICULTURE LONGITUDINAL

CHAPTER I

THE HISTORY OF THE ART

The history of the art of agriculture is a subject of great interest and importance. It is a subject which has attracted the attention of the most eminent philosophers and statesmen of all ages. The progress of the art has been the result of the combined efforts of many generations of men, and it has been the subject of much speculation and controversy. The art of agriculture is a subject which has attracted the attention of the most eminent philosophers and statesmen of all ages. The progress of the art has been the result of the combined efforts of many generations of men, and it has been the subject of much speculation and controversy.
