

ERITHRODITAN KOREA

Erithroditan Korea

Erithroditan Korea

The Erithroditan Korea is a country of great beauty and interest. It is situated in the north of the Korean peninsula and is bounded by the sea on the north and east, and by the Korean peninsula on the south and west. The country is a mountainous one, and is covered with a dense forest of evergreen trees. The climate is temperate, and the soil is fertile. The people are of the same race as the Koreans, and speak the same language. They are a brave and hardy people, and are well adapted to the life of the mountains. The Erithroditan Korea is a country of great interest to the traveler, and is well worth a visit.
