Wilmington, Delaware

My dear Mr. Paul:

I have just received your letter of the 8th inst. and am glad to hear that you are interested in the history of the city of Wilmington. I have been thinking of writing you for some time, but have been so busy that I have not had time to do so. I have been very busy with my work, but I have been thinking of writing you for some time, but have been so busy that I have not had time to do so.
