

PARADIGMATA PROVERBIALIA

2. Edition, 1711.

Amstelredamum, Apud Petrum de Hondt, 1711.

The first edition of this book, which was published in 1711, is now in the possession of the University of Amsterdam. It is a very rare book, and is highly valued by collectors. The book is written in Latin, and is a collection of proverbs from various countries. It is a very interesting book, and is well worth reading. The book is written in a very elegant style, and is very well illustrated. It is a very good book, and is highly recommended.
