

DEBROTT'S DICTIONARY

Second Edition

Revised Edition

This dictionary is a complete and accurate reference work for the student and the general reader. It contains the most important words and phrases in the English language, with their meanings and uses explained in a clear and concise manner.

The dictionary is arranged in alphabetical order, and each word is given its own entry. The entries are written in a simple and easy-to-understand style, and they include information about the word's origin, its pronunciation, and its various meanings and uses. The dictionary is a valuable tool for anyone who wants to improve their knowledge of the English language.
