

THE HISTORY OF THE

ROYAL SOCIETY

OF GREAT BRITAIN

The history of the Royal Society of Great Britain, from its first institution in 1660, to the present time. In two volumes. The first volume contains the history of the society from its first institution in 1660, to the year 1700. The second volume contains the history of the society from the year 1700, to the present time. The history of the Royal Society is a very interesting and important subject, and this work is a valuable contribution to the history of science and the history of the Royal Society.
