

SYNOPSIS

of the

History of the
County of
Hampshire
from the
Norman Conquest
to the
Present Time

It is not possible to give a full and complete history of the County of Hampshire in a single volume. The history of the County is too extensive and too varied to be so treated. It is, however, possible to give a synopsis of the history of the County, and to show the progress of the County from the Norman Conquest to the present time. This synopsis is given in the following pages.
