Third and final

and I am bound to add that it is not in itself
a sufficient guarantee of the quality of a book
that it is printed in a good type, or that it is
printed by a well-known firm.

It is also important that it is printed by a
firm which has a good reputation for
accuracy and care in its work.

It is also important that it is printed by a
firm which has a good reputation for
accuracy and care in its work.

It is also important that it is printed by a
