

PHARMACOLOGICAL

Journal

Published by the American Pharmacological Association
at the University of Chicago Press, Chicago, Ill.
Volume 1, No. 1, 1924

The first issue of the Journal of Pharmacology and Experimental Therapeutics was published in 1924. It was the first of a series of journals published by the American Pharmacological Association. The journal is devoted to the publication of original research papers in the field of pharmacology and experimental therapeutics. It is one of the leading journals in the field and is read by all pharmacologists and experimental therapists.

The journal is published quarterly and is available to all members of the American Pharmacological Association. The subscription price is \$10.00 per annum in advance. Single copies are \$2.50. The journal is published by the American Pharmacological Association, 535 North Dearborn Street, Chicago, Ill.
