

l called

intruder,  
without  
if she  
other of  
me by

birds are  
of grass,  
it, and,  
anxious  
ive little  
to look  
e of the  
ind her  
fence, or  
mutual

Mr. J. R.  
e, as well  
vered by  
t day, he  
from its  
k by the  
d a small  
armonized

better to  
few hairs.  
osses with  
nes broad,

gration in  
repassing  
and of the  
ng of the

jerks; but

ive-brown;  
nish black,  
inner web,  
ng feathers  
ny, spotted  
rker; tarsi  
eat feathery

*indifolia.*
