Dear Mr. & Mrs. Jellison

Just a line to tell you that the pictures I took of the president were such long distance shots that they are not very plain of him . I would like very much to have some of the ones you took. If you feel that you can trust me, you might enclose one of each and tell me how much they are and I will pick out the ones I want and send you the money for them. If you'd rather I'd send the money in advance, let me know and I will, as I am anxious to have some good pictures both of he and Mamie. It's a thrill I will remember for a long time--the handshake with him. Let me hear from you and many thanks in advance.

Sincerely,

Francis H. Salmon

Dear Alice and Arthur,

I wish to thank you for the picture. We think it to be very good. Maurine would like one ^{for herself} and one for Bob. If it is not too much trouble will you please send the two. We will be glad to pay whatever they are worth.

Dorth Hibbs, who teaches in Wilson, went to school to me in Osborne. I hope that he is recovering from his accident.

I am sorry that Jo. Boring doesn't improve in health.

I hope that you are all well and that you will drive over to see me some time.

We were all at Sylvias for dinner yesterday I took the picture with me so that all could see it.

Truly yours,
Delta

Dear Sir:

I am returning, herewith, proofs submitted to me of my picture taken at an earlier date. I must admit that these pictures are all good, however, in accordance with your suggestion, the picture marked "A" is the one I have chosen as the best picture. This picture I would desire to have made up in the big print and three small prints. I would like to have three small prints made of the second enclosure, the one where I have my hand against my face.

I still desire these pictures on toned linen finish, suggested when I was at your studio. However, if you have any further suggestions in regard to these pictures, your advises will be appreciated. I expect to be in Wilson either the later part of next week or the week following.

With best personal regards, I remain

Yours truly,

George Landers

Mr. Gellison:

Dear Sir:
I'm returning
proofs.

For my enlarged
picture I think I would
rather have that folder
with the little girl (which
held her rather) if you don't
think it's too light to go
with my darker dress and
hair. I like it the best of
the two but if it doesn't
match so well then use
the one I selected while there.

I'm enclosing
check for twelve ninety (\$12.90)
for the 31 pictures. Would it
inconvenience you a great deal

not to cash it until Sat.?
If not I would appreciate
it a lot.

Please enlarge the one
of these that you think
will look the best when
enlarged. Have selected the

one I would rather have enlarged.
Thanking you for all
past favors I am

Very Truly,
Minnie F. Brown.

Dear Sir:

I received the pictures and was very much pleased with them especially the large one was a wonderful finished photograph.

I want two more enlarged like that - same pose and folder. I also want one enlargement of Mr. Radina, use the same style of folder. I forgot how you priced that glass enclosed framed picture that you had with all your other pictures. If it is not too high I may get one of those. However if you will let me know the price I'll let you know definitely.

You needn't hurry to finish
the three enlargements as
I won't send a check for them
until the 26th of this month.
Then you can send them to
me at Suray or else if you
happen to be over this way
at ~~that~~ or near that date
you could leave them at Lucas
or at home. Thanks for
bringing the pictures only
it wasn't so urgent but
what I could have waited
until after Christmas.

How are your prices
on a picture of two - that is
I mean when two persons have
their pictures taken together? I
noticed you had a folder with a
couple ~~on it~~ with your other
display pictures.

Sincerely Yours,
Minnie G. Brown.

Mr. Arthur Jellison,

Dear Arthur,

We are very, very much pleased with the proofs of the children's pictures. I have kept them, thinking I would return all together after you took some of Josephine. Too bad she missed you. Your mother thought perhaps you might be down this way sometime in the near future, and if you are, and have your necessary apparatus, could you take her picture there? We want her on the panel with Bob and Doris. With kindest regards,

Sincerely yours

Ethel Taggart

Dear Mr. Jellison-

I tried to phone you yesterday but for some reason could not get you.

Here is the number we want of each picture.

84 of the operetta group-

37 of the minstrel and

37 of the crowd - this making

a total of 158 pictures. We told them what you said about the cost of each picture - that is, they would not be more than 15 cents apiece if our order was from 75 to 100 - But we didn't know just what to say when it totaled 158-

Please get these out as soon as possible so we can get them delivered here - I'll call you when I get to Wilson.

Sincerely,
Julia Ann Zamzla

Dear sir: It's been three weeks now since I've put in my order for the baby's photos. And I haven't received them yet. I am getting anxious. Can you hurry a little. I am going to give you quite a little business within the next few years. But I like a little more promptness.

Please hurry

Very truly yours
