Dear Mr. & Mrs. Jellison

Just a line to tell you that the pictures I took of the president were such long distance shots that they are not very plain of him . I would like very much to have some of the ones you took. If you feel that you can trust me, you might enclose one of each and tell me how much they are and I will pick out the ones I want and send you the money for them. If you'd rather I'd send the money in advance, let me know and I will, as I am anxious to have some good pictures both of he and Mamie. It's a thrill I will remember for a long time--the handshake with him. Let me hear from you and many thanks in advance.

Sincerely,

*Francis H. Salmon*
