Mr. Arthur Jellison,

Dear Arthur,

We are very, very much
pleased with the proofs of the childrens'
pictures. I have kept them, thinking
I would return all together after you
took some of Josephine. Too bad she
missed you. Your Mother thought per-
haps you might be down this way.
sometime in the near future, and if
you are, and have your necessary
apparatus, could you take her picture
there? We want her on the panel with
Bob and Doris. With kindest regards,

Sincerely yours

Ethel Taggart
