Elya how she would have liked
to have her face slapped with the
flap of a sat's tail. } provisions
are tolerably high. } house rent
is very dear. } the navigation
of the river is stopped, every season
about this time as it is at
present for want of water
& we do not expect it to be open
again for 2 or 3 months. the
Yorkshire Man is near 45 Miles
from me on Indian reserve &
I am afraid when he have imp
roved the claim it will be brought
over his head there is something there
respecting the Claims in the territory
which I did not know before
I came here & that is in referen
to the Government Survey who
