an opportunity to send for letters by
person on whom you can place depen-
dence some goes that never returns
others return in a week or 2. According
to the weather which in these regions
is very uncertain I received yours on
the 21st of March. I write this on the
22nd if strong efforts, good wishes &
desires will secure it a quick passage
you will have it soon but it is very
likely that from a variety of circum-
stances it will be a long time on the
road - but we must do our best in
this as well as other things I leave the
rest to God - to proceed to give you
an account of my perripinations I
must say that here I am in the
territory I have been here 5 weeks
when I started from Kansas the
weather appeared to be cleared up
& promised to be very fine but
in a few days after I arrived here

it is
