I believe one other,
The attempt to amend the
R.R. Charter without the consent
of its incorporators after they
have obtained "vested rights" by
answering the provisions of law is
in my mind simply ridiculous,
Still ~~at~~ our action will reach
Washington - as, any number of

I think Lawrence stands more
in danger of herself than of any
other point or people,
A few days before the opening of the
Legislature a R.R. convention was
called here expressly (as I know)
to help the "South Side" Kansas
City project, and had it not been
for the active efforts of a few
of us it would have carried
