

no one at all in Kansas territory great or small has
 to his letters of Introduction from New York State &
 City it was all a farce they amounted to just this 2 or 3 letters
 from a few teachers in a Sunday School somewhere in New
 York City headed with to all whom it may concern
 was a Sunday School Teacher in this school for so long a time
 & of good character as far we have had opportunity of ascertaining
 this was the little ~~anemulus~~ *anemaculus* which he
 magnified to a great Elephant } & if I see any more
 signs of dissension or opposition among you I shall with
 draw it is quite immaterial to me have it all your way
 remember I am not benefited at all it is for your good
 at which I aim at this declaration a paper but upon the
 countenance of many of their language was in effect great
 difference of the ephesians great is no 2 - & they soon
^{down} ~~let~~ to agree to do as he wished by volunteering to go out
 with the waggon of whom I was one being strong &
 hearty at that time I did not wish to be left behind
 & I had much desire to see the Country & was as able to
 endure fatigue then as any of them although I never approved
 of the conduct of No 2 accordingly our waggon was
 holed our provisions purchased & put in the waggon
 with a few guns carpet sacks & axes & now we are
 marching on the road to Westport 6 Miles from the City
 of Kansas - No 2 came as far as Westport with his
 Bugon & then started off in another direction we found
