

your paper) and doubtless will hear
Moai / that is true but it will
take a smart writer to swell the trouble
much I shall not try to enumerate the
different circumstances for my pen would
be worn out before I could write an
index of it the Country is full of armed
men the heart of which is thievery and
Robbery on both sides the claim politics
when it suits them and when it does
not suit there motion that go in ~~in~~
with out any excuse as for the Number
of horses that has been Stolen in the past
week I have known idea but it is enormous
Several house Robed by both Sides eight
Stevensons had 3 good horses stolen after
winter a. go I returned last night from
hunting then as succeeded in getting on
the track of them But was stopped by
high water 6 men is on the track now
and I think will get them I have not
had any thing to do with it until
since it has got to such a pass that a
man is not safe at home now I am
in and that for bearing the worse a man
is safer in the scrape than he is out of it
I cannot advise any person to run
for it I was not but I should
not run further it is a fine
