Governor Denver
Dear Sir
after nearly four months
labor I have succeeded
in getting Hon Walter
to make a statement
to the Treasury Dept and
have got the last draft
conceded and the balance
of the appropriation forwarded
to you

I have sent to
J Denison Es of Western
a power of attorney to draw
my portion of it &c

The Receipts
Constitution will probably
be disposed of in the
course of ten days. If it

passes the lower house
It will be by a very
small majority
Some believe
will throughout the
Vote that was cast
on the 4th of July (from
State officers &c) under
the provisions of the
Law enacted by the
Starke Legislature and
will only count the
Vote that was polled
and certified by the
Judges appointed
under the provisions
of the Constitution
I understand that he
will be sustained in
this course by the
President Cabinet and
the entire Democratic
Party - Yours
