Methodist Minion hely 28th/53-Ur Themas Barrotts Dengton O Den Falhen. Your favor of the 13th met mes red I amil myself of the firet opportunity- to answer its. For a few days part of I have been insterning would with an attack of the dys ruley, but am able Whe up this morning. Ludge Sohnston & myself an rooming to gatter I kough he hus been muell, yet his primer has inplied many Things duing my lickness. I mote ti Ead a few duys age of my having fixea a the Colf- of Zeavenewer Th as after of Execution. The mant stip, of comme, & mintable at things any to 5 et me a home there. It mill Coest some money to as Do, alost & House about \$400. If you will assist me tobule I, as that I muy have a chance mith others for the buishess Smill make zon a conveyance of the property till I can make Enough to pay for it. M mitting it lad. I mygesten that it mould be better to have the lumber unt out, that is floring, down sanh & shingles. I can get it here & upon uflection I de not Know the this the frught an such a small las mula mit make it cost as much as to jet it how. The Home of propose tomake 16 pt by 31-21 am get it
