

Washington D.C. Dec 10th 57

Mr Eads. I received from N.Y. on Saturday.
Mr Walter called on me in N.Y. &
dined with me, in company with
E. O. Parris & Carr U.S.A. He is fully with
us & avers a willingness to fight for us
if necessary. He will not go back.

You see Douglass has broken. I took
dinner with him on Sunday at
5 P.M. The Democracy have kick
him over. The opposition thus enforced
will beat the President on his
Kansas policy, at every point.
You may expect a rich time & I
think you had better time your
visit to meet the great debater. The
precise time of his coming off I can
not you know. The present speaking
in the Senate is simple skirmishing.
I enclose you a draft on N.Y. for
115 \$ which I get at par.
