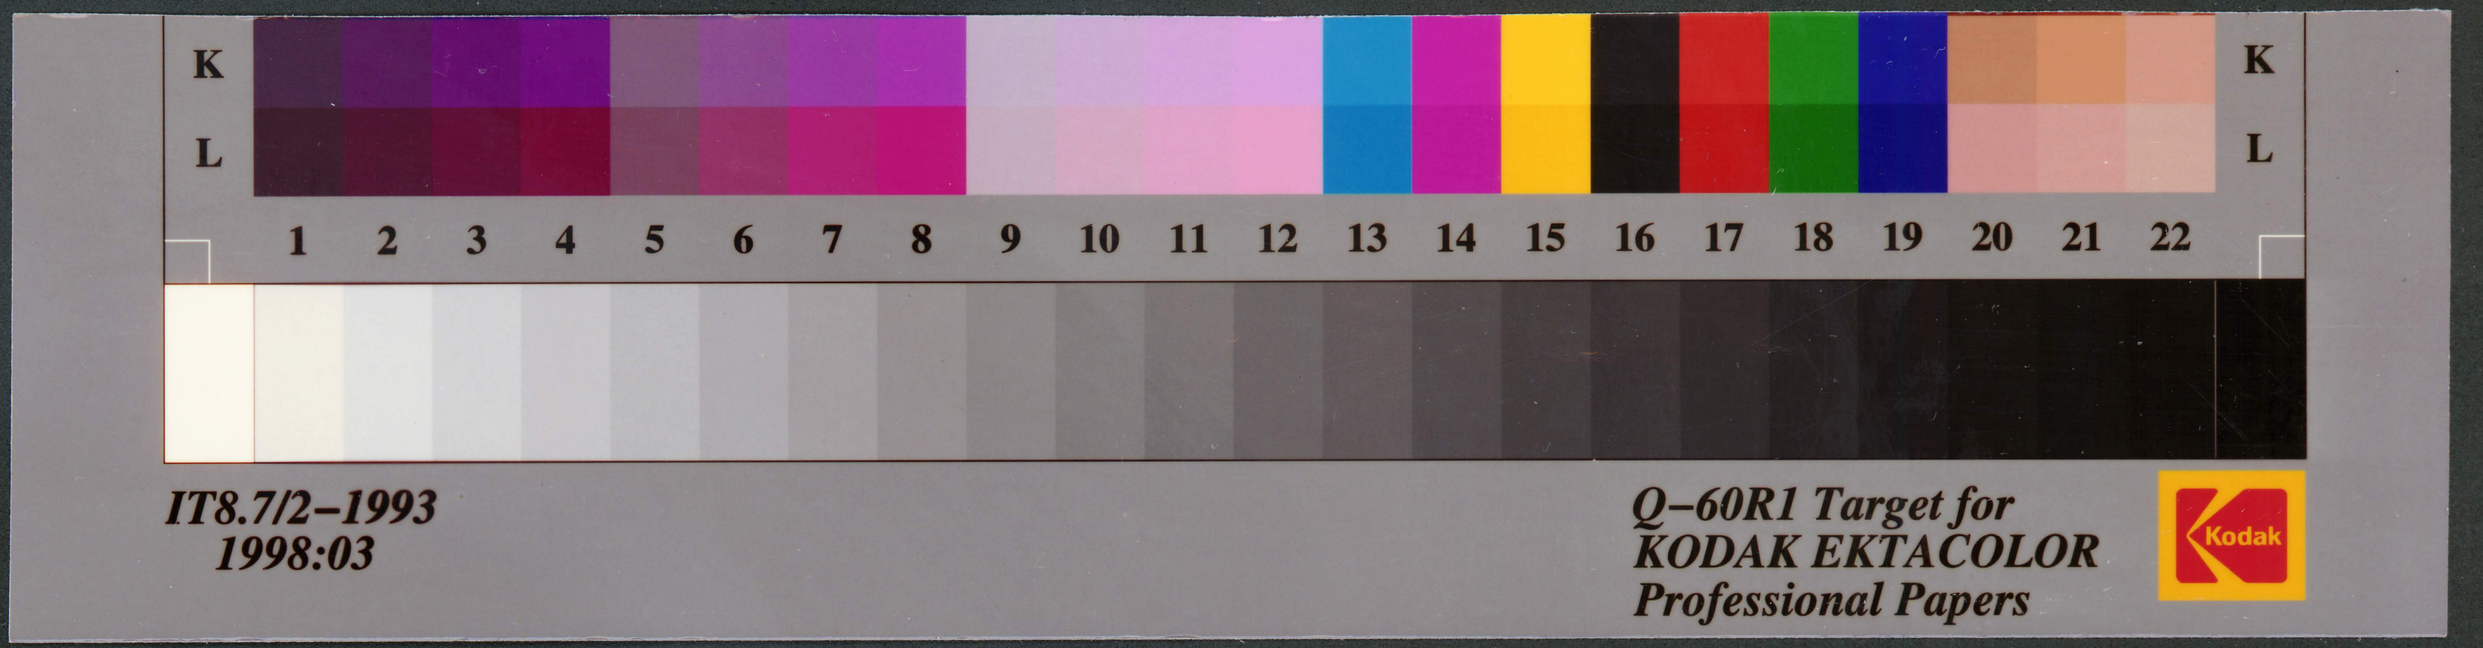
9 GRANGE STORE. EDGERTON, KANS.

Church to right is U. P. Church, where I go sometimes.



Dear Ella— Can't remember whether I have ever sent you this view of Edgerton. How do you find Burden this summer? I have been busy as I can be. My friend and baby from N. C. spent last week with me. I spent about one hour at the Edgerton celebration the 4th? Are you going on a trip this summer? You have the faculty of Pawhuska beaten on looks, "sure". Lovingly, Pearl S.
