Sept. 2-10

Hello: Will send stamps
next time You did get
this—sure. Was glad to get
your letter. Will write some
time. Sam always has some
thing on the week-ends I do
the time we are here we take
a Rally this week-end that is announced. It does not
suit to my idea of a rally.
Hope you add Archie can
come down. And spend
Sat + Sun. Any way I
guess that is as long as you
could sit B. Come and stay
as long as You can
with Your Lily.
