Hello! I suppose you are home by now. Are you going to school? (My I'm so nervous I can hardly write.) I can't go this year, but will next. Expect to start my music next week, tho. This is one of this years camping pictures. Have sent nearly all of my others away. Lunar Rhea is back of the stove, my cop, Ruth Marshall, at my right, and I'm washing the dishes. Now please write soon
