these woods. And deer too, quite often they are seen. Yesterday there were three in camp, but our Col. would not permit us to kill them, as they are protected by the French Game Law.

While writing of deers (dears) might mention the two fair Y. M. C. A. girls who were in camp for dinner last-nite. They too, were fine game, not protected by any "Frog Laws" but instead by a Colonel and Lt. Colonel. Some feed we put on for them. Course after course did I rush in with.
