Dear Father and all:
Your letter of 1/26 rec'd
yesterday an evening. Can
not understand I about
our home-going mail.
Some have not heard
from the A. E. F. for
three weeks. Possibly
due to Christmas mail
in state.

Also received clippings
about 30 the Dawn.

Now Allen has some
poor line of dope on
us, especially the 60th
Bn, of the 1st Div.
Not can't tell the truth
about the Organs if
we ever come home.
