The article about Ralph Randall is quite true, I can vouch for his statement, for I was Johnny on the spot. It was about 4 o'clock on the morning of Sept. 24th after our arrival late the evening before. Bombardment trucks had been bringing us high explosive all night and Jerry had been sending us a few reminders of what a night, but about 4 P.M. he put over a real barrage, it was then I found parties kept from flying fragments in and out of the
