Dear Father and Sisters:-  
Have received four letters  
from you during the past  
week.

Well, we are here in  
southern France, but have  
not gone thru the class-  
fication camp at Le Mons  
yet. It will probably be  
our next move as it is  
only 40 kilometers from  
here.

Will be at least 30 days  
before we get out of this  
frog eating land of France.
