

P.S. The city marshal is  
firing a few fire works to  
nill. He is some "Frenchman".  
Hope you Argonians have  
enjoyed the day as much  
as I. It has not been a  
"hard war" for me to-day.  
Tell J. W. he had better come  
over and soak up his slate.

July 4th 1918

Dear Father and Sisters:-  
This is the close of our  
big celebration (8:30 P.M.).  
And must say we had  
a big day. The morning  
was devoted to a big  
field meet. At noon the  
Officers had a big spring  
chicken dinner and then  
the boxing contests were  
started, both officers and  
men getting in the game.  
Many prizes were award-  
ed to the boys by the  
officers.
