a river steamboat. It was not far from where it was sunk where we had our battle with a sub, coming over.

Chris gave me an Argony dated 7/6 yesterday. I hope I failed to receive Army editions from Scottie yet, but possibly will later.

For pastime yesterday afternoon eight of us boys around the kitchen overpowered a French lad of 16 and shaved his first crop of whiskers. He shed many tears when we cut his mustache off, for a French man takes more pride in growing a little black mustache than a Kansas Farmer would in raising 90 acres of corn.
