

Many thanks for the Argony Clipping of the boys whom were called. Yes, we get all the dope from the "Front" by wireless and can buy European editions of the leading U. S. daily newspapers with all the war news as well as the happenings in the U. S. A.

Thanks June, for caring for my ins. policies.

Well, I am still detached for O. M. duty, but, since we started on move have been acting in same capacity as Uncle Will and I did in Colo. last season. And have seen some very beautiful mountain scenery here in the foot hills of the Alps, but, Colo. is the most scenic to date for me. Very hard for me to be seated long enough to write when there
