SPECIAL THANKS FOR ALL DONATIONS

The 113th Emancipation Celebration for 1990 was a great success. People are still talking about the number of people came. One thing I am sure we can attribute it's success, to the fact that the Newsletter help to publicize it far in advance. I also took the liberty of contacting all the daily newspapers in the state of Kansas a week before homecoming and several people who thought that Nicodemus' celebrations had stopped, were surprised to see that we were having one, and came to participate.

There were many donations from the homemade quilt, by Charlesetta Bates to cakes for the cake walk, donated by various people. On behalf of the Nicodemus Historical Society we would like to say THANK YOU and MUCH APPRECIATION. The following is a partial list of organizations or individuals who donated food, drink, or cakes to the bar-b-que. If I have over looked anyone please forgive me, but we have not forgotten you.
