

Dear Sis:

Just a note to say hello,
and to send these few pictures to you.
Will have a lot more pictures to
show you whenever I come that
way. I hope that you have
a pleasant week end with your
guest.

Vertis is not coming down
this week end, so I will go to
Sat. afternoon bridge at Helen Rawlins
on Sat. Sunday is Women's Day at our
church, so I will be there both morning
and afternoon. We are having a speaker
from ~~Wichita~~ ^(sp) Wichita, Kansas. I do not know
her name.

Had to stop writing and make a
collection. Hope that Gil is feeling better.

Love to you and all.
Your Sis
