Dear Mom and Daddy,

Just a few lines to let all of you know that all is in the best of health. Also I can say that is the same for my fiancée Hisami also. I sincerely hope that these few lines of humble greetings find each of you in the very best of health and fine spirits! — Smile —

I received your lovely and very delicious Christmas package on the 12th of this month. I don't remember the exact date, but it was some where around that time of the month. Hisami says that she wants you to teach her how to cook as well as you do mom! I also expressed my opinion that you would be just as pleased to learn to prepare Japanese foods or Okinawian dishes, as she does of yours! — Smile —
