

What is Major's present job now that he has stopped working for the Humane Society now? I hope that whatever his new job is, is the one that he wants to do. What is Pauline doing? Is she still at the hospital? I imagine that she still likes the job a great deal. Give them both my best wishes.

What is old Clint been up to these past weeks? He still has the horse and Old's yet? I never have heard from him since about October sometime. When you see him tell him I said, keep the faith and do whatever he does well! — Smile —

We here on the island are going through a period of unrest and tention.

Due to the objection by the Okinawians to the
