CRANE'S STANDARDIZED

School District Treasurer's Record Book

In accordance with the provisions of General Statutes, 1935, 75-1121, and General Statutes, 1941, supplement 75-1120, we are presenting a Standardized and Uniform System of Fiscal Procedure and Accounting for School Districts employing less than 5 teachers.

General Statutes, 1941 Supp. 75-1123 requires that the Standardized Accounting System must be completely installed by January 1, 1944.

Each year's business is arranged in a unit and contains space for the following:

Itemized Accounts of Receipts and Expenditures

Budget

School Inventory
