gratis.

"My husband is d
in five minutes."

angled in the propellor and sink
ke's ship too."

And now this word for my spon-
sors. There is so all-fired much to
say about International Harves-
ter's new "space saver" Refrigera-
tor that one feels plenty cramped
to try and get it said in this space.
They used a 2-page spread in the
Saturday Evening Post the other
day, and were still talking when
the page turned — "so lovely to
look at - decorate to match your
kitchen color scheme - planned to
hold more of everything, tall bot-
tles, big turkeys, odd-shaped dish-
es - even the door hold's more -
all this, plus automatic all-weather
temperature control and push-but-
ton defrosting - and 7 all-new
models to choose from. Albert or
