

## CLUB COLLECT

Keep us, oh God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-  
seeking.

May we put away all pretense and meet each other face to  
face—without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things, make us to grow calm,  
serene, gentle.

Teach us to put into action our better impulses, straight-  
forward, and unafraid.

Grant that we may realize it is the little things that create  
differences, that in the big things of life we are as one.

And may we strive to touch and to know the great common  
woman's heart of us all, and oh Lord God let us not  
forget to be kind.

## PURPOSE OF EXTENSION WORK

The purpose of Extension work as outlined in the Smith-Lever Act, the Kansas Farm Bureau Law, and the county farm bureau constitution is "to give instruction in agriculture and home economics to the people in the counties through practical demonstrations and otherwise," and "to promote the most profitable and permanent system of agriculture, the most wholesome and satisfying living conditions, the highest ideals in home and community life, and a genuine interest in the farm business and rural life on the part of young people."
