

I suppose a Welcome Address is suppose to be mace up of many flowery and Flaturing words; but I don't believe those type of words are necessary to express our heart felt welcome to you, and our gladness of being hostesses to the Graham County Demonstration Units.

Our name WILLING WORKERS in itself expresses our attitude to the work we are engaged in---willing to cooperate and take part in all the many helpful and interesting projects, and work to the end that what we learn and gain from said projects might be a part of our and our neighbor's every day living.

To make what could easily be a long story short, I would like to extend to you, our guests, the sentiment that is in each and every one of our hearts-----We're so glad you're here; and to each and everyone of you ~~we~~ extend a hearty MOST HEARTY, welcome.

*as president, & in behalf  
of the willing workers*
